Welcome

Dear Prospective Exhibitor/Sponsor:

Save the date for the 50th Annual Alabama School of Alcohol and Other Drug Studies (ASADS) in Tuscaloosa, Alabama, March 23-27, 2026, at the Bryant Conference Center. We are a 501(c)3 organization that is governed by a board of directors representing a multitude of organizations, agencies, and associations that work together to provide professional development and continuing education for professionals practicing in the fields of substance abuse prevention, treatment, and recovery.

Each year, we have approximately 800 people attend the ASADS. ASADS will ensure maximum exposure for your company by conducting a raffle for attendees who visit the most exhibitor booths.

We are also very excited about our conference mobile app. The ASADS app will be utilized daily by a majority of the attendees during the week and is a great advertising opportunity for your company.

On behalf of the ASADS Board, I am writing to request that your organization sponsor this conference by agreeing to be an exhibitor/sponsor this year. On the corresponding page, you will find many sponsorship opportunities. Your organization can now register at this link: www.asadsonline.com

Please contact ASADS at 256-620-3304 or asadsalabama@gmail.com with any questions or comments. We also accept any charitable, tax-deductible donations to support this event. Thank you for your consideration, and I look forward to working with you.

Respectfully,

Connie Layton
Chair of Exhibitor Committee
